## Price

The photographic style celebrates clean, simple images that keep the focus on the subject, which is the same philosophy I try to take in documenting weddings. In that tradition I currently offer only two standard wedding packages, and allow you to customize those packages as you wish. Also, if you would like to have a custom option that is not listed below please let us know and we would be more than happy to accommodate you.

## Print Pricing

We include a DVD of full resolution images of the final wedding edit with every wedding, which allows you to email pictures to family members and make prints as you wish of any size. However, many couples prefer not to deal with the additional burden of making, emailing and posting wedding pictures for friends and family members following their wedding. For that reason we include online viewing and print ordering with each wedding.

In 2009 I currently offer the following print options:

- Image download: **\$15.00**
- Wallets (4): **\$8.00**
- 4x6 Print: **\$4.00**
- 5x7 Print: **\$8.00**
- 8x10 Print: \$12.00
- 11x14 Print: \$17.00
- 16x24 Print: \$45.00
- 40x60 Print: \$450.00
- Small Calendar (8.5x11): \$22.00
- 11x14 Museum Mount Canvas Print: \$199.99
